Re: KIPP Academy Charter School
Case No. 02-RD-191760

Dear Ms. Reardon:

The undersigned represents the Employer, KIPP Academy Charter School in this proceeding. We have received the Request for Review filed by the United Federation of Teachers, Local 2, AFT, AFL-CIO in this matter. Under the Rules and Regulations of the National Labor Relations Board, other parties have seven days to respond. The due date for the Employer's statement in opposition is September 28, 2018. This case differs from other charter school cases which have been considered by the Board. In certain unique respects it is a case of first impression, involving factual and state law issues which have never been reviewed by the NLRB. For that reason, the Employer requests that it be granted an additional seven days in which to file its papers, extending the period to October 5, 2018.

We note that the United Federation of Teachers was granted a two week extension for the filing of its Request for Review by your office. Thank you very much for your consideration. If you have any questions concerning this request, please call me directly at (914) 872-6912.

Very truly yours,

JACKSON LEWIS P.C.
